**INSTRUCTIONS FOR LI AND DD CORPORATE CREDIT PRE-APPROVAL PROCESS**

**ROUND 1 Instructions**

➤ **Declaration of Donors spreadsheet**

- \*NEW FOR FY2023\*** By **Friday, July 1, 2022 at 10:00 AM**, STOs must submit to ADOR a spreadsheet (the “Declaration of Donors” spreadsheet) listing the following information for each donor seeking Pre-Approval to make tax-credit eligible donations to eligible STOs:
    - Which program (L or D) the donation pre-approval is requested under
    - Name, address, EIN of corporation
    - Identify if donor is S corporation
    - Identify if donor will be claiming the credit against the Insurance Premium tax and provide the corporation’s NAICS number
    - Dollar amount corporation is seeking to donate
  - No STO is allowed to request positions in the Queue for which the STO does not already have a corporation seeking Pre-Approval to donate.
  - It is the sole responsibility of each STO to confirm their submission of the Declaration of Donors spreadsheet is sent successfully by verifying that an auto-reply message from [DOROERA@azdor.gov](mailto:DOROERA@azdor.gov) is received.
  - It is the sole responsibility of each STO to **ensure that the information contained within the Declaration is accurate and complete.**

➤ **Determination of Cap Availability**

- ADOR will provide a summary of the Declared Donation pre-approval requests and specify whether or not the **Claim Email Submittal and Application Queue** step is required for either the Low-Income or Disabled Displaced Application Queues, depending on whether the cap availability would be met or exceeded based on the total of Declared Donation requests. ADOR will send the email notification to all STOs certified to receive corporate contributions on **Friday, July 1, 2022.**

**Instructions If Program Cap is met in Round 1**

➤ **Claims Submittal and Application Queue**

- Claims for position in the Queue shall be accepted beginning **Tuesday, July 5, 2022 at 10:00:00AM**. Any claim emails ADOR receives showing a received time prior to 10:00:00AM shall not be processed.
  - Claims for position in the Queue must be sent by email to [DOROERA@azdor.gov](mailto:DOROERA@azdor.gov).
    - STOs shall be allowed to submit one or more claim emails per Pre-Approval applicant listed in the Declaration of Donors spreadsheet.
    - Each claim email must be sent with a subject line adhering to a format discussed in the [Claim Email Subject Line Format section \(see page 6\)](#) (this is to distinguish whether an

email is a duplicate of one that has already been received). **Any claim email sent with a subject line that does not conform to the specified format shall not be processed.**

- ADOR will award Queue position numbers in order of claim email received time. If duplicate claim email numbers are received, the one with the earliest received time shall be processed and all remaining duplicates shall be ignored.
- Beginning **the week of July 11**, ADOR shall notify each STO of the Queue position numbers awarded.
- **\*NEW FOR FY2023\*** STOs shall have until close of business on the next business day following notification of Queue position numbers awarded to identify which Queue position number is assigned to a specific donor request on the Declaration and to email the revised Declaration of Donors spreadsheet to ADOR.
  - Each Queue position number an STO is awarded can be assigned to exactly one Pre-Approval request to be processed for approval in the Queue. In the Declaration of Donors spreadsheet, STOs will assign the Queue numbers awarded in an order of the STO's preference.
  - ADOR shall include the date of this submission deadline in the email notification of awarded Queue position numbers.
  - STOs will not submit Pre-approval application forms in Round 1.
  - Approvals will be processed using the Declaration of Donors spreadsheet.
- All requests from an STO for pre-approval shall be sent by email using an email address associated with the STO. No other form of request for approval, such as hand delivery or regular delivery mail, will be accepted by ADOR.

➤ **Donation Approval Process**

- ADOR shall approve applications by *Application Queue* position number order until the applicable credit caps are met.
- ADOR will respond to the STO by email. Approval will be noted on the approval form, along with an indication as to when the 20-day period ends that is allowed for receipt of a check from the corporation. The STO should notify the donor corporation on the same day ADOR notifies the STO. A copy of the approval form should be provided to the corporation.
- Applications that are not approved under the applicable caps shall be waitlisted, preserving the Queue position number. If funds are released from applications approved under the cap, the funds shall be released to the waitlisted pre-approval applications by order of Queue position number.
- Upon receipt of approval, STOs must notify ADOR of whether the donation has been received within 20 days. If the donation is not received within 20 days or the STO fails to notify ADOR within 20 days of donation receipt, then the approval expires and the associated funds shall be added back to the cap.
  - STOs must notify ADOR by email upon receipt OR non-receipt of the donation by the end of the 20-day period. (If the 20th day falls on a weekend or holiday, the STO may email ADOR on the next business day.) Email notification to [DOROERA@azdor.gov](mailto:DOROERA@azdor.gov) and include the following:

  - If the taxpayer does not make the donation within the twenty day period, the taxpayer is no longer approved for the donation and the STO must submit a new request for pre-approval.

- In the event a request is received for an amount that is greater than the remaining amount under the cap, ADOR shall approve only that amount that is remaining. For example, if \$500,000 is left under the cap and a request is received for \$750,000, ADOR shall approve only \$500,000 and the application will be closed. If the corporation wishes to re-apply for the un-approved portion of the donation request, a new application must be submitted.
- ADOR approval of an STO request does not constitute ADOR verification that the contribution meets all of the statutory requirements for a credit under A.R.S. §§ 20-224.06, 20-224.07, 43-1183, 43-1184 and 43-1089.04.
