

PUBLIC SCHOOL ATTENDANCE VERIFICATION FORM

for PLUS Credit Eligibility

A student is eligible to receive a PLUS (Private Learning Uplifting Students) Tax Credit Award if "The student attended a public school in Arizona as a full-time student (K-12) for at least 90 days or one full semester of the prior fiscal year and then transferred from a public school to a qualified private school."

PARENT/GUARDIAN INSTRUCTIONS

The purpose of this form is to verify that your student attended a public school in the school year prior to attending the private school. This information must be completed by a public-school representative, not the parent. If your student attended more than one public school in the year prior to attending the private school, please submit multiple forms to SFF from each public school. It is the parent/guardian's responsibility to coordinate the completion and submission of this form to SFF. The parent must also submit an SFF Application for the named student at www.studentswin.org.

SCHOOL INSTRUCTIONS

Please provide the public-school name, district, the student's start, and end date of the prior and current school year's attendance for these academic years, if applicable. All dates must specify the month, day, and year. Once the form is completed, please return it to the requesting parent/guardian or submit it to SFF directly.
